

Adult Forum at St. Peter's by-the-Sea

Join us for Adult Forum this fall as we seek to deepen our relationship with God through learning. Expand your experience of church each Sunday by spending the 9 o'clock hour with fellow parishioners, exploring a topic that will stimulate your mind and help you grow as a disciple.

September 20 & 27 *Vocabulary of Faith*

We often toss around words in church as though everyone understands what they mean: liturgy, Eucharist, gospel, collect, catholic (to name just a few). We'll unpack many of those words, helping you gain clarity on the complex terminology of our simple faith.

October 4 *The Ministry of St. Peter's Pre-School*

This year marks the 32nd anniversary of Carol Stuart's leadership of the St. Peter's Pre-School. Come and learn more about the ministry of our school and how she's done it for all those years.

October 11, 18, 25, November 8 & 15 *Ecology and Theology*

As Christians, we must ask how our faith and belief in a creating, living God informs our behavior and attitudes with regards to "this fragile earth, our island home" (BCP, 370). This class will draw parallels between contemporary problems in the human use of the earth and theological themes.

November 1 *All the Saints of Saint Peter's*

On All Saints' Sunday, Cindy Clancy will share stories about some of the men and women in our church's 140 years of history who helped pass on the faith to us today.

November 22 *A Conversation Between Faiths*

Congregation Beth-David Spiritual Director Ethan Adler and Casey will lead a wider conversation about the interplay between Christianity and Judaism.

December 6, 13 & 20 *Preparing for Jesus*

The gospels remind us that Jesus didn't drop out of thin air; he was born from humble parents, and traced his lineage back through many generations of ancestors. During Advent, this class will explore that rich heritage by taking a closer look at those ancestors, and how they prepared the way.
